**VIP Connoisseur Tasting – The “Full Treatment”** – Move between barrel tastings, cellar tastings, Reserve wines and current wines in one tour de force tasting experience. Our cellar master guides you through the history, future, and current production of our winery, but it's your wine preferences that guide the menu. All served with a gourmet food platter, this is the experience for those who want the inside look at what it means to be a craft winery.
